

LEND A HAND – OUTREACH OPPORTUNITY

84 Bags and Boxes of Clothing, Hygiene Items & Household Goods were collected

Loaves and Fishes

We are overwhelmed by the generosity of the JKCS community! Your donations were above and beyond the needs of the recipients which means we were able to extend your blessings to even more recipients.

After sharing with our friends at Newhaven Manor, 6 large bags were set aside to be sent to several churches in the Philippines and several more were distributed to Encore Thrift Store where they will be available for purchase by individuals and families in need here in Brampton.

God moves his people to care for one another beyond expectation!

Families who received support through your donations were so grateful: 'My name is Jamesha. I am a mother that was affected by the fire that took place at Newhaven Manor. I recently received a tremendous amount of donations provided through John Knox Christian School. I just wanted to say thank you to all involved. The donation has helped my family in such a big way. We are truly blessed and grateful. Thank you. God Bless

Please keep these families in your prayers. They have been forced to leave their homes, relocating away from friends, community, and children's schools for up to a year while their homes are repaired.
