

## JKCS FACILITY IMPROVEMENTS

SUMMER 2021

As the summer winds down (far too quickly), plans are well under way to kick off the new school year. We are excited and optimistic as we look ahead to another year of providing Christian Education in the City of Brampton. As we do so, we'd like to share an update on the work that's been done around the school over the past two months to prepare our building to welcome our students back on September 7.

We are so thankful for the generous support of our friends at Encore who make so many of our projects possible!

Here's what our hard-working building team has accomplished so far:

- new floors, cabinets and painted walls in all three Kindergarten Classrooms
- new retaining walls, sand fill and wood chips on all playground equipment areas
- retaining wall around the Hope Garden
- restoration of the north playground baseball diamond (Region of Peel)
- black out window blinds for several classrooms

It was so great to see a number of JKCS Alumni come on board as contractors for part of the work completed this summer!

Please continue to keep JKCS in your prayers as we navigate another school year affected by Covid-19. We place our trust in our faithful Saviour and hope for a healthy, safe and prosperous school year!

Psalm 118:1

*'Give thanks to the Lord, for he is good;  
His love endures forever.'*
