

# JKCS Schoolwear

Every JKCS student is required to wear a JKCS School Wear bearing our embroidered logo. The minimum requirement is a blue polo shirt; this is considered the school's 'dress uniform'. Blue or green shirts may be worn any school day, however, you will receive notice for those days when the blue shirt ('dress uniform') is required. (Special events, school trips, picture day, etc.)

Our students are also required to wear black bottoms, but these can be any type of modest pant\*, skirt or shorts purchased from a retailer of your choosing (Old Navy, Walmart, Encore, etc.). *Pants should be a solid black - no large, bold athletic striping or logos.*

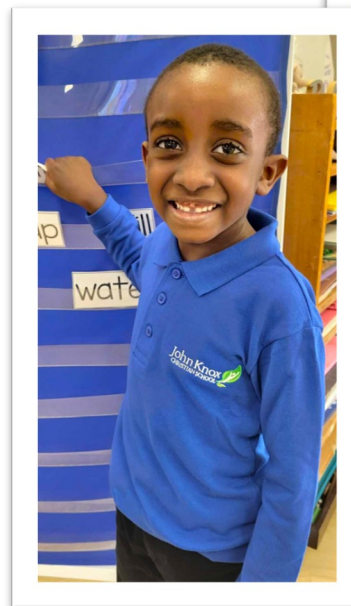

Currently, we use DGN Kilters as our school wear supplier. DGN is a local, Canadian company that offers both online and in-store shopping opportunities.

There are a variety of additional items available which fit into the JKCS School Wear requirement. *Please refer to the Uniform Story Board for more information.*

The school expectation is that, while in the school, **the top layer of each student's clothing will be JKCS School Wear.** Occasionally, student 'Dress Down' days will be announced. These may happen as part of a fun Student Council event or just as a day when children may be permitted to wear their regular clothes to school.

Students in Grades 5 through 8 are expected to wear a JKCS Athletics t-shirt and any black athletic bottoms for Physical Education class. They must bring their uniforms on PE days so that they can change into and out of athletic clothing for class. The Athletic t-shirt is *not* considered regular classroom uniform.

Students who become part of the Cross Country or Track & Field teams will also be expected to purchase a JKCS Athletic t-shirt for competitions.
